INTRODUCTION

This user guide has been created to offer a valuable service to our esteemed clients. It is a customized and user-friendly guide, designed to empower our clients to enhance their websites and implement preferences that align with their business requirements.

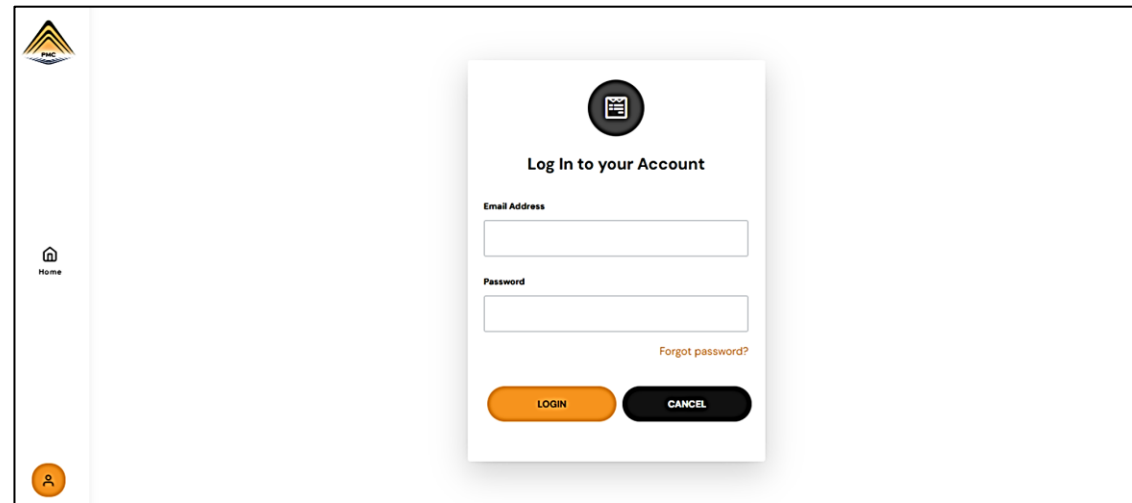

Contained within this document is all the essential information needed for the user to utilize the features and functions of IMP Modules fully as the Department User. It provides detailed descriptions, capabilities, and a comprehensive set of instructions for each module. By following these instructions, users can effectively leverage the potential of the System.

All transactions and processes will be conducted electronically or online – the IMP system oversees various activities such as stock viewing, updating stock descriptions, request stocks, purchasing stocks, and system maintenance. The main objective of IMP is to ensure timely service to customers/requesters and enhance the MCD's key performance indicators (KPIs).

Sign-in Page

- It is the point of entry to the Admin Portal. A user must provide the correct credentials to access the Admin Portal.
1. Go to the web address of the Admin Portal.

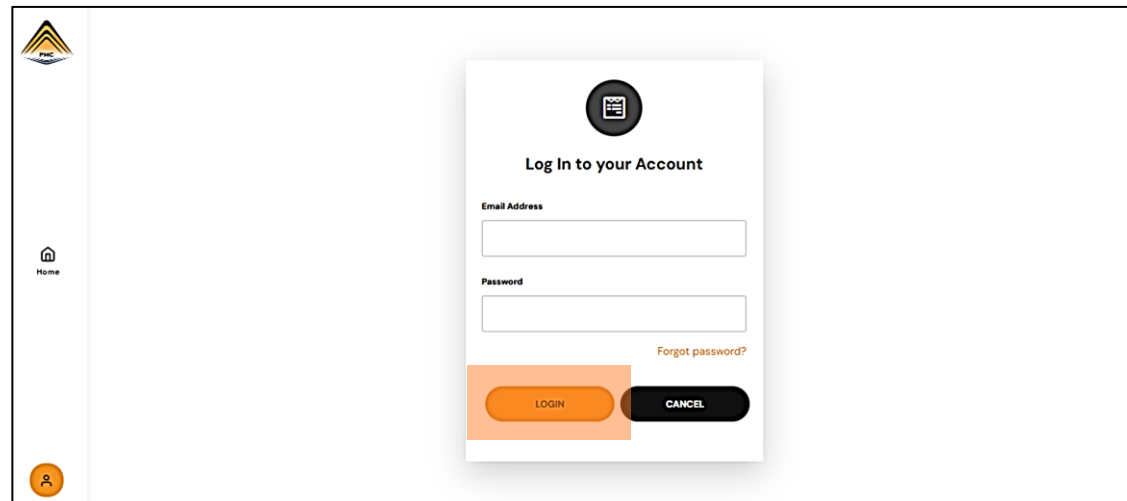

The screenshot displays the Admin Portal's sign-in interface. On the left is a vertical sidebar with a logo at the top, a 'Home' link with a house icon, and a user profile icon at the bottom. The main content area features a 'Log In to your Account' modal. This modal includes a title, a circular icon, and two input fields labeled 'Email Address' and 'Password'. Below the password field is a 'Forgot password?' link. At the bottom of the modal are two buttons: an orange 'LOGIN' button and a black 'CANCEL' button.

SIGN-IN

1. Go to the *Admin Portal*.
2. Enter the following information:
 - **Email**
 - **Password**
3. Click on the **Login** button to complete the process.

Admin Sign-in Page

The image shows a mockup of an Admin Sign-in Page. On the left is a vertical sidebar with a logo at the top, a 'Home' button with a house icon, and a user profile icon at the bottom. The main content area features a centered login form. The form has a title 'Log In to your Account' with a key icon above it. It contains two input fields: 'Email Address' and 'Password'. Below the password field is a 'Forgot password?' link. At the bottom of the form are two buttons: an orange 'LOGIN' button and a black 'CANCEL' button.

RESET PASSWORD

Reset Password

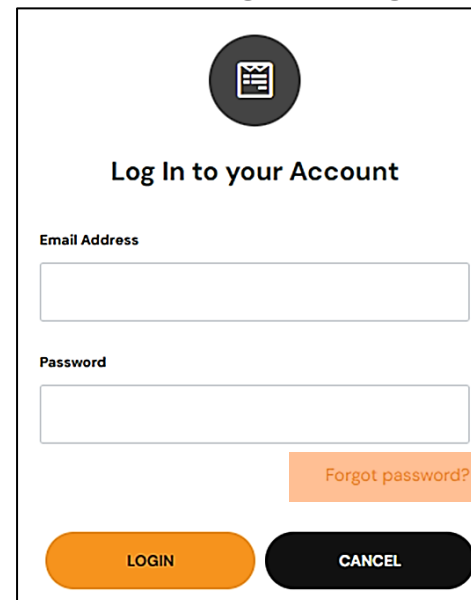

- It is the feature that allows the user to reset their password in the following circumstances:
 - The user has forgotten the password.
 - The user wants to change the password for security purposes.
- There are two (2) ways to reset the password:
 - Forgot Password link
 - Change Password

RESET PASSWORD

1. Go to the **Admin Portal Sign-in** page and click on the **Forgot Password**.
The **Forgot Password** Page will appear.
2. Enter your email address.
3. Click on the **Submit** button.

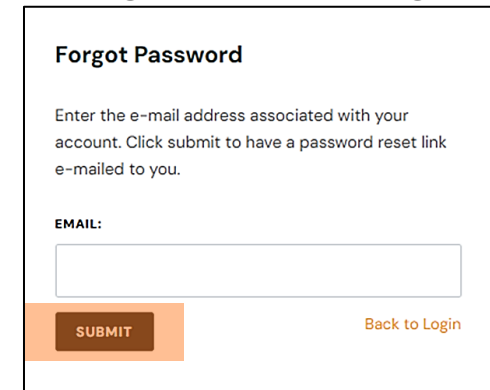

Instructions on resetting passwords will be sent to the email address provided.

Admin Sign-in Page

The Admin Sign-in Page features a dark circular icon with a document and checkmark at the top. Below it is the heading "Log In to your Account". There are two input fields: "Email Address" and "Password". A link "Forgot password?" is located to the right of the password field. At the bottom are two buttons: "LOGIN" (orange) and "CANCEL" (black).

Forgot Password Page

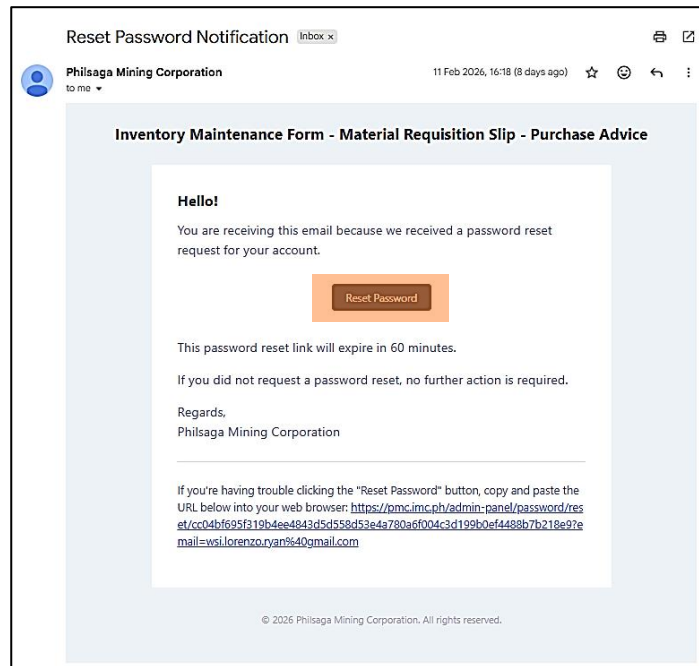

The Forgot Password Page has the heading "Forgot Password". Below it is a paragraph: "Enter the e-mail address associated with your account. Click submit to have a password reset link e-mailed to you." There is an input field labeled "EMAIL:". Below the input field are two buttons: "SUBMIT" (orange) and "Back to Login" (orange text).

RESET PASSWORD

4. Open the email – **Reset Password Notification** and click on the **Reset Password** link.
5. Provide all the information needed once the **Reset Password Page** opens.
6. Click on the **Reset Password** button to complete the process.

MATERIAL REQUISITION SLIP (MRS)

Material Requisition Slip (MRS)

The **Material Requisition Slip (MRS)** is a formal internal document used by an organization to request the issuance or purchase of materials needed for operations, production, maintenance, or projects inside Philsaga Mining Corporation.

It serves as an official record authorizing the store, warehouse, or purchasing department to release specific items in stated quantities. As well as control inventory movement, track material usage, prevent unauthorized withdrawals, serve as documentation for audits, and helps with cost allocation for departments or projects.

MATERIAL REQUISITION SLIP (MRS)

Key Information Usually Included in an MRS:

- MRS number
- Date of request
- Department or project name
- Description of materials/items
- Quantity required
- Purpose or reason for request
- Cost code

You may do the following MRS functions:

- You may create, edit, view, submit, cancel, and export MRS.

MATERIAL REQUISITION SLIP (MRS)

Create an MRS
